Can-Am Pylon Society
Club Update-March 12, 2021

Hello all!

I can't believe its March! The last several months have been challenging to say the least. The good news is that the entire CAPS racing season is a GO! All paperwork is in and approved. You will find event flyers attached.

Bernie Vanderleest has created a new WEB site for CAPS! Check it out at: www.capsracing.com Don't forget to click on your browser's "Refresh". Anytime you see or talk to Bernie, please thank him for his time and effort!

Event registration is now open on the new CAPS website. Please register early!

In my previous update, I asked for volunteers:

Newsletter

Race day Pilot Registration/Entry Fee

Race day timing/light system setup and test

Someone to head up the Club By-Laws updating

And the good news is Joyce Hager has volunteered to do race day registration and money collection. She also will head up the Club By-Laws update effort. Jim Nikodem volunteered to do course set up. The club still needs a Newsletter manager/editor. Please let me know if you need more information on this open position.

It is time to renew your membership. You will find an application attached. Joining CAPS helps the Pylon Racing Community in general and allows us to have the best racing possible, please join/renew!

Our treasurer, Mike Eden has informed me that CAPS bank account is in good condition, all bills are paid and the account has \$8,738.65.

Please stay safe and healthy!
