**Hello all!**

It's time to get the 2022 Race Season Going!

Bernie Vanderleest has the CAPS Website calendar and race notices updated, so plan your 2022 racing season now. Please preregister early as it helps us to put on the best races possible.

Some cool news; Electric 424 (Sport Quickie) now included in the NMPRA rules and will be flown at all CAPS races. Go to the NMPRA website for details.

CAPS needs YOU to be a member! Membership form attached.

The World Championships for F3D and F3E pylon racing will be held in Muncie just prior to the US NATs in July. Approximately 50 of the worlds best pilots will be there for this 12 day event.
